How's it going?

→ **HAOzitt-GÔing**

What's up?

→ **OUATseup**

Are you okay?

→ **areyou-ÔKÉÏ**

No problem.

→ **NÔ-PROblem**

Of course.

→ **euv-KORSS**

Sounds good.

→ **SAOUNZ-GOUd**

That's great.

→ **DATS-GRÉÏT**

Really?

→ **Rlli**

Exactly.

→ **ig-ZAKTli**

Maybe.

→ **MÉİbi**

I think so.

→ **AYE-SINKso**

I don't think so.

→ **AYEdon-SINKso**

6. PHILOSOPHIE IPIC

La transcription n'a pas vocation à remplacer l'écoute.

Elle sert à créer un pont entre :

ce que le francophone voit

et

ce que l'anglophone dit.

Le lecteur :

Écoute → lit → imite → répète → ajuste.

La transcription simplifiée aide à démarrer le geste.

L'audio et le shadowing affinent ensuite la prononciation réelle.
